Sir :

Responsive to the Final Office Action dated April 24, 2006, reconsideration and withdrawal of the rejections of record are requested. Inasmuch as the three-month shortened statutory period was set in the Office Action to expire on July 25, 2006, Applicant hereby requests an extension of time for two months and is concurrently filing a formal Request for Extension of Time, together with all requisite fees therefor. If for any reason the formal Request for Extension of Time is not associated with the file at the Patent and Trademark Office or the extension fee is deficient, this should be considered to be an express request for any necessary extension of time and authorization to charge any necessary extension of time fee to Deposit Account No. 02-0835.

Amendments to the Claims are reflected in the Listing of Claims which begins on page 3 of this paper.
